Scouting America
East Carolina Council

Scouting America - East Carolina Council has been building character and instilling values in young people since 1915. Always in strong partnership with the religious, civic and business communities, Scouting teaches traditional values, respect for God and Country, life skills and responsible citizenship to generations of young people.

Scouting teaches young people to confront any challenge with whole hearts and clear minds—to live their lives without regret, never back down and doing their very best.

The mission of Scouting America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

“On my honor I will do my best to do my duty to God and my country and to obey the Scout Law; to help other people at all times; to keep myself physically strong, mentally awake, and morally straight.”

A Scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, and reverent.
