There will be no registrations allowed after May 31, 2026. To be able to reserve a spot during your preferred week, a deposit of \$100 is required. ### Week Selection

Please note, while Camp Boddie offers four weeks of Scouts BSA camp, we can only guarantee that Weeks 1 and 2 will run. Weeks 3 and 4 will be dependant upon registration numbers. Units are free to register for Weeks 3 and 4, with the understanding that if those weeks do not hit a minimum number, you may be contacted by the Camp Director or a designee to change weeks. It is our goal to have all four weeks, however in the name of transparency , we wish to be fair and give notice to all considering registration with Camp Boddie.

# Health, Safety, & Medical Information

## Medical Records

Every Scout and leader attending Camp Boddie must submit an *Annual Health and Medical Record* with all necessary information and signatures upon arriving at camp. **THERE ARE NO EXCEPTIONS!** Campers without a proper “Physical” form will be sent home. One of the most common problems is that the parent has not signed the form! If there is a problem with the physical form, please make sure the Camp Director, Health Lodge, and the Program Director are aware. Please have copies of insurance cards front and back.

Medical forms can be found at: [http:// www.scouting.org/scoutsourc/HealthandSafety/ahmr.aspx](http://www.scouting.org/scoutsourc/HealthandSafety/ahmr.aspx)

## Health Medical Records for Adults and Leaders-Fewer than 72 hours

Leaders or parents staying in camp for fewer than 72 hours must complete parts A and B of the *Annual Health and Medical Record*. This does not require a physical. Leaders arriving during the week **MUST** report to the Health Lodge for a medical recheck and turn in their medical form. A full physical is required for aquatic activities and adults staying in camp for more than 72 hours.

## Medications

All medications, including over the counter and prescription medications, which are brought to camp are the responsibility of the unit leader. All Scouts bringing medication to Camp are required to have the *Prescription Medication Information Form* filled out and turned in with their medication to their unit leader. Medication is to be kept at the campsite in a locked container except for inhalers if necessary. The Health Lodge will need to receive well-documented information on any medication that requires refrigeration. All asthmatics should bring at least two (2) rescue inhalers and any other required medication to camp unless doctor or parent specify otherwise on the medical form. You should have one inhaler with the Scout and one with the camp medic or troop leadership in the camp site.

## Dietary Restrictions

If an individual is allergic to common food products or requires a special diet, suitable food must be purchased and brought by the individual to camp. Package meals separately and write the person's name and troop number on each package. Upon arrival at camp, give the food to the dining hall staff. There is no fee reduction for individuals who bring their own food. Appropriate substitutions may be arranged for meals served in the dining hall by submitting a *Food Allergies and Dietary Restrictions Form* by May 1<sup>st</sup>. Food substitutions should only be for medical or religious reasons.

## First Aid

First aid treatment is available in Camp 24 hours a day at the Camp Health Lodge. The closest hospital in the area is ECU Health Beaufort in Washington. This hospital treats emergency patients from camp. Emergency transportation is always available. All first aid situations must be brought to the immediate attention of the Camp Health Officer. No one is to be transported from the camp for medical reasons without contacting the Camp Health Officer.

## Insurance Claims

The Scouting America Accident and Sickness Insurance plan's purpose is not to replace or diminish the need for family health insurance. Rather, its purpose is to provide assurance that financial help is available to meet emergency medical expenses should an injury or illness occur during a Scouting activity. The

"responsible party" for all medical services is the family of the person injured, and the family's health insurance should be reported as such to ensure proper billing. In the case of an accident the claims are to be made against the troop's accident insurance.

## **Intrusion of Unauthorized Persons on Camp Property**

The intrusion of any suspected unauthorized person on camp property should be reported immediately to the Camp Director, Camp Ranger, Camp Commissioner, or the Camp Program Director. At no time should a Staff Member, Camper, or Scout Leader confront a suspected unauthorized intruder. The Beaufort County Sheriff Department will be notified to manage all situations. Authorized attendees are identified by either a camp wrist band or camp visitors pass. Visitor passes/bands are available at the trading post. All visitors need to have a Part A and B when visiting camp.

## **Ticks**

The Health & Safety Committee, along with the Camping Committee, desire to make our campers more aware of the concerns created by ticks at Camp Boddie. Ticks transmit various disease-causing agents from animals to humans, their pets, and their livestock. On the day of arrival all participants will be cautioned and directed as to the risk of tick-borne disease and the precautions and procedures to be followed. All embedded ticks are to be removed by health lodge personnel.

## **Hazardous Weather Planning and Training**

All program areas and camp sites have shelters to use in case of rain. We will review Hazardous Weather Procedures as a part of our Sunday Check-In Procedure and will inform you of locations to use in case of severe storm warnings. Hazardous Weather is an important consideration in planning for any outdoor activity, including camping, and the annual training is now required of all adults staying on camp.

## **Respect of Privacy**

Adult leaders must respect the privacy of youth members in situations such as changing clothing, changing into swimsuits, or taking showers. Adults must also protect their own privacy in similar situations. When camping, no youth is permitted to sleep in the tent of an adult other than with his/her own parent or guardian. Adults are not permitted to be in the youth shower area unless it is necessary to stop behavior issues or in matters of health and safety of the Scouts.

## **Youth Protection**

Camp is often a place where we are made aware of Youth Protection violations, whether happening at camp or elsewhere. Please report any youth protection violations or suspected abuse to the Camp Director, Camp Health Officer, Camp Commissioner or Program Director immediately.

## **Youth or Leader Leaving Camp Early**

All Scouts and Leaders must check in and out of camp at the Camp Office whenever they leave or arrive during the camping week (with the exception of Sunday and Saturday). In addition, all Scouts who are leaving Camp must have the *Youth Leaving Camp Early Form* completed and signed by the Scoutmaster and parent or guardian. The form must be completed and have all the correct signatures prior to the youth leaving camp.

## **Liquid & LP Fuels**

In accordance with camp policy, the use of liquid fuels (i.e.: kerosene, gasoline, liquid Coleman fuel) in camp is prohibited. Under no circumstances shall flames of any kind be carried in or used near tents. The only acceptable lighting for tents is flashlights or battery powered lanterns. LP gas lanterns and camp

stoves may be used in the campsite area with adult supervision. All empty containers are to be carried home with the unit.

### **Prohibited Items at Camp**

**Electrical Power & Extension Cords** - The use of external electrical power (generators) or extension cords is prohibited on campsites. The only exception is the approved use for medical purposes. Contact the Camp Director for approval.

**Alcohol & Illegal Drugs** - All drug and alcohol laws of the State of North Carolina are strictly enforced. Alcoholic beverages are not permitted on Scouting America property.

**Fireworks** – In accordance with Scouting America policy, individual fireworks of any kind are prohibited for unit use.

**Product Sales** – No camper or staff member is authorized to sell any form of merchandise on camp property.

**Pets in Camp** -No dogs, cats, or other pets are allowed in camp. Medical and support companions are the exception to this rule.

**Firearms & Knives** – No personal firearms, ammunition, or archery equipment is to be brought to camp. Sheath knives exceeding a blade length more than 5.5 inches are not allowed.

**Tobacco Use** – In accordance with Scouting America recommendations, the use of tobacco products is undesirable. Adults are requested not to use tobacco products in the presence of Scouts. The use of tobacco products in any camp enclosed facility is prohibited.

Meet with your unit guide and receive bands, adjust any "no-shows," and turn in unit rosters. If bringing a troop trailer, **please drop the trailer in the designated spot in the parking lot, and staff will move the troop trailer to the designated campsite.** You will be directed to your campsite and the trailer will be taken to the campsite at this time. Please make sure that all gear is loaded in the troop trailer. Any gear that cannot be put in the troop trailer will be loaded on the platforms next to the registration tarp and Camp Staff will transport your equipment to your campsite. Only unload & stow gear at this time. You will have several hours later to actually set up camp. Your troop will then proceed through the camp orientation process to include swim tests at the swimming pool and a briefing on Dining Hall procedures. No offsite swim checks will be accepted. **No Scout or leader will be permitted in camp without a current medical form.** After all orientations are complete, the troop guide will accompany the troop to your campsite to inspect your site and review the balance of the Sunday schedule.

## Early and Late Arrivals

Units desiring to arrive earlier than 1:00 on Sunday **require advance approval of at least four weeks prior to the scheduled check- in date.** If you plan to arrive later, please contact Chris Cooper 252-571-4297 prior to the Thursday before you plan to arrive at camp. We will attempt to place all early arriving units in their assigned campsite on Saturday night. No meals will be served by the Dining Hall until the Sunday evening meal. Units will be responsible to feed themselves. Note: Earliest Arrival Time at Camp Boddie is Saturday at 4:00 PM.

## Parking & Vehicles in Camp

The main parking lot is located near the camp entrance, in front of the Hodges Leadership Building. The only vehicles allowed on the camp service roads or in campsites are those with special permission from the Camp Director. No privately-owned vehicle (car or truck) will be allowed on camp service roads at any time. The camp is not responsible for any damage to privately owned vehicles. The camp staff is not responsible for providing means of transportation for people with disabilities during camp.

## Leaders Orientation Meeting

Sunday evening, following dinner there will be a meeting for all Leaders and Senior Patrol Leaders. Information concerning the camp, its policies, emergency procedures, and alarm systems are covered. At this time, all changes and additions to Scout schedules can be taken care of. It is imperative that at least one Troop leader attend this meeting.

**Senior Patrol Leaders:** Camp Boddie recognizes that the Senior Patrol Leader's (SPL) role at summer camp is an especially important one. There are scheduled meetings of the SPLs with the Camp Program Director. At these meetings, information is exchanged for camp- wide games, troop programs, etc.

## Swim Checks

Swim checks will be conducted on Sunday, during the camp tour with the Troop Guides. Any Scout or Leader wishing to participate in any aquatic activity must complete the swim check on camp. Camp Boddie Aquatics staff will not accept swim checks from prior to arrival to camp. Refusal to participate in the swim check on Camp Boddie will disqualify a participant from being able to participate in any

aquatics event or activity.

## **Tents and Campsite Equipment**

Leaders should check all campsite equipment during check in and report any damage found to their troop guide. An inspection will be done at check in with the Troops in each campsite. Troops will be held responsible for damages when checking out. The Quartermaster Shed will be open each day at 9 am for equipment checkout. Each site is equipped with 2-man Scouting America wall tents on wooden platforms. Two military style cots are available for use with each tent. Units may elect to bring their own tents. Please inform the camp director two weeks in advance if you should bring your own troop tents. There are no registration fee changes if using your personal tents. Adults are also usually placed two to a tent.

## **Opening and Closing Campfires**

All troops are encouraged to attend the opening campfire at 8:00 PM Sunday and the closing campfire on Friday at 8:00 PM. Troops assemble at the dining hall 15 minutes prior to the campfires.

## **Campsite Inspections and the Mr. Clean Award**

Each day a member of the camp staff visits each campsite to inspect cleanliness, fire safety, pioneering projects, and display of the national and troop flags. Each site and surrounding area receive a score based on relative cleanliness and order. The *Mr. Clean Award* is presented at the evening assembly each day beginning on Monday.

## **Meals and the Dining Hall**

When assembling for meals, troops will line up, in a large semi-circle in front of the dining hall. The flag will be raised or lowered at the appropriate meals. Grace will be said, then troops will be dismissed to go inside the dining hall in an orderly manner based on the Program Directors choosing.

## **Chapel Services**

Tuesday evening there is an interdenominational chapel service held at the Chapel (other areas may be utilized as determined by Camp Director). For those troops who request it, we can direct you to the church of your choice in the surrounding community. Transportation is the responsibility of the unit. All Scouts and Scouters are invited to participate in the Camp Boddie Duty to God Program. Details will be provided at the opening SM/SPL orientation.

## **Flag Ceremonies**

Camp-wide flag raising, and retreat ceremonies occur each day, fifteen minutes before breakfast and supper. Troops are encouraged to conduct a troop retreat in their campsite before the camp-wide retreat. Leaders and campers will dress in full official field uniform for the morning reveille and evening retreat.

## **Trading Post**

The camp provides a well-stocked trading post of Scouting materials and snacks. All program craft materials are on hand. Hours of operation will be posted at both locations. Scouts and adults are encouraged to monitor the trash problem associated with the trading post snack bar.

## **Uniforms in Camp**

Camp Boddie recommends the following camp attire:

During the day and most nights after dinner, the activity uniform is appropriate. This is shorts or slacks and a scout related t-shirt of some type. If the scout does not have enough scout T-shirts, then any appropriate T-shirt is acceptable (nothing suggestive, alcohol-related, etc.). Uniform for breakfast, dinner,

campfires, chapel, and flag retirement is full field uniform.

## Shoes in Camp

For safety reasons Scouts and adults must wear proper footwear at all times. You are encouraged to bring an extra pair of "old" shoes or aqua socks/shoes. Scouts who wear inappropriate footgear to certain activity areas may be forbidden to participate. Closed toe shoes are required for any activity. A shower shoe (flip-flop) is allowed for use in showers only.

## Buddy System

With all the potential dangers and hazards that are inherent in a summer camp setting, it is important that all Scouts and leaders be accountable for where they are always. While at camp, all Scouts are required to use the buddy system in all activities. When two Scouts attend merit badge classes and other events together, they can provide support and encouragement to each other. There is also added safety in participating in camp activities as buddies. Camp Boddie strongly encourages units to require their Scouts to use the buddy system and have adult leaders tell another responsible person where they are going when leaving the group or the unit's campsite.

## Bicycles in Camp

Something new this year (2026) for Camp Boddie, is being able to get around camp utilizing a bicycle! A few important things of note for being able to use a bicycle on camp:

- 1) Maintenance check sheet **MUST** be completed upon arrival to camp with the designated staff member. Your bicycle **MUST** be in good working order prior to arriving at camp. Each bicycle will be tagged that it passed an inspection upon arrival to camp.
- 2) A properly fitted and well maintained helmet **MUST** be worn at all times when riding the bicycle.
- 3) Anyone riding a bicycle **MUST** stay on the roadways.
- 4) All bicycles **MUST** be parked in the designated parking areas around camp.
- 5) **DO NOT RIDE BICYCLES ON THE GRASS!**
- 6) Camp staff will not supply any tools for any repairs needed for bicycles, other than the use of an air compressor in the event of a flat tire. Anyone who brings a bicycle to camp will be required to have a basic tool kit with them.
- 7) Camp Boddie will not be providing any bicycles to campers, or leaders, during their stay.

## Cleanliness and Sanitation in Camp

Trash bags are provided for campsite use. Trash must be taken to the dumpsters by the Troop (next to the dining hall) daily. Trash bins are also located on camp trails for camper use. Please do not place troop trash bags in the trail bins. The camp commissioner will collaborate with each unit to set a time for troops to provide shower house service.

## Shower House Rules

Adult leaders are responsible for the conduct of their Scouts while in the showers. It is the responsibility of the adult leaders to keep all scouts safe; shower misconduct should be monitored carefully. Each day, at least one troop will be asked to clean the showers as a service project. The showers should be checked for cleanliness before and after use.

## Conduct Policy

We are all members of Scouting America. As such, the basic rules of conduct at Camp Boddie are the Scout Oath and the Scout Law. The conduct and discipline of Scouts are the unit leader's responsibility. The camp staff is not responsible for the discipline of any Scout unless it is a case of imminent bodily harm or property damage. Any Scout found intentionally damaging camp property will be asked to leave camp. Restitution for damages will be billed to the Scout's parents or Scout unit.

## Unit Leadership at Camp

**Adult Leadership:** The unit leader is responsible for every Scout he or she brings to camp. The Unit's leaders are responsible for all the actions, behavior, and conduct of their Scouts at all times while at Camp Boddie (including program areas, campsites, and in the showers). If a Scout must leave camp early for any reason, it is the responsibility of the Unit Leader to ensure the proper procedures are followed for releasing a minor. Any person arriving at camp late, leaving camp early, or just visiting camp, must check in and out at the Trading Post. Each troop must have at least two registered adults in camp at all times, 21 years of age or older. Troops using rotating leadership should plan to have the departing leader orient the new leader upon his arrival at camp.

**Youth Leadership:** Youth Leadership plays a significant role in Summer Camp. While in camp there will be a daily Senior Patrol Leader Meeting. It is important for the Senior Patrol Leader to work with the other youth leaders to plan and deliver the program as needed. The youth leadership will be responsible for planning inter-troop campfires, camp-wide activities, and other program features.

## Two-Way Radios or Other Communications Devices

Units are discouraged from using two-way radios on camp. Camp personnel use two-way radios for emergency and business communications. Campers who utilize two-way radios will have them confiscated and returned to their troop leaders. It is recommended that Scouts not bring cell phones to camp.

## Lost & Found

All items found at camp should be turned into at the Trading Post. Leaders are asked to please check the Trading Post for lost items before departing camp. Items remaining at camp after the camp session will be donated to charity.

## Order of the Arrow in Camp

Wednesday of each week is OA Day. Troop OA members are encouraged to wear an OA t-shirt that day and sash at evening meals. Those members who participate in Native-American activities are welcome to bring their outfits to take part in the powwow that evening. The day's events will conclude with a fellowship and patch trading session at the Handicraft Lodge.

## Family Day at Camp

Wednesday will be Family Day at camp. Parents and visitors are invited to come from 2:00pm until 9:00pm, and observe their Scouts in action. Supper for visitors is \$10.00 per person for visitors over the age of 11. Children ages from 4 years old to 10 years old is \$5 and children 3 years age or younger are free. Tickets for the meal can be purchased at the Trading Post. Wednesday supper is served at 6:00PM.

## Visitors at Camp

All visitors must check in and out at the Hodges Leadership Development Center. A visitor is defined as anyone not registered on the troop roster or camp staff. All visitors are asked to park in the main parking lot. **No vehicles are allowed on the campsites.** Visitors must display a "camp visitor's pass/wrist band" at all times.

For those who wish to stay overnight in the local area, the following motels are listed:

## Mail

The mail at Camp is delivered by rural carrier, which tends to require extra time to make it to camp. Mail should be sent early in the week to ensure delivery. Outgoing mail can be dropped in the mailbox at the Trading Post.

Mail to campers should be addressed as follows:

Scout's Name

Troop Number, Camp Boddie

419 Boy Scout Road

Blounts Creek, NC 27814

## Homesick Campers

Occasionally Scouts attending camp may become homesick and want to leave camp. As you deal with such problems, please remember that the Camp Boddie staff includes members with counseling experience. Please do not allow any Scout to leave camp early without discussing the situation with the Camp Director or Program Director. Again, the *Youth Leaving Camp Early Form* must be filled out when a scout leaves Camp Boddie.

## Checking Out of Camp

To take full advantage of the camp program, troops are encouraged to stay until the program is completed on Saturday morning. Troops that plan to depart after the Friday night closing campfire are asked to notify the Camp Commissioner on Thursday. Records for troops that leave early will be mailed to the troop point of contact after August 1, 2025. Troop checkouts will begin immediately following breakfast on Saturday. The Camp Commissioner will schedule departures at breakfast. Your troop guide will inspect your campsite and arrange for equipment transportation to the main parking lot. A designated adult leader is reminded to pick up program packets, medical records, and any medications before departing camp. All troops should plan to depart camp no later than 10:00AM Saturday.

## Damage to Camp Property

If a unit has been found to have damaged camp property during their stay at Camp Boddie, they will be assessed a \$50 damage fee, per piece of gear damaged. There will be an inspection of each camp site by Camp Staff upon arrival, and prior to departure from camp.

**Disclaimer: Camp Boddie, East Carolina Council, Scouting America nor its agents will not be held responsible for the loss of or damage to personal or troop property and/or equipment.**
